

Undercover Sins

Police officer Gabriel Carter refuses to walk away from an assignment without seeing it through. So when he goes into deep cover as a male prostitute named Ty, he intends to do everything in his power to see his case to an arrest. He seduces his mark, Demetrius Prado, the second most powerful man in Las Vegas and a human trafficker, but the man is nothing like he expected. The more Gabriel learns about Demetrius, the more twists and turns are thrown his way in the convoluted case leading to Demetrius rival, Arden, and beyond. Its a case of mistaken identities and layer after layer of trumped up cover stories, and Gabriel is sure theres no way hell ever be able to trust Demetrius with his life... much less with his heart.
