

The Animal Atlas: Hammond (Hammond Atlases)

The Animal Atlas takes you on a journey to discover animals living everywhere from mountaintops to ocean floors. Explore these and many other questions in the fascinating pages of this beautifully illustrated book: # Which mammals lay eggs? # What is the largest bird in the world? # What is the slowest animal in the world? # Where does the worlds largest spider live? # Which animal can live to be 200 years old? From the icy poles to the baking deserts, animals live all over the world. Tropical rainforests are home to at least half of the worlds animal species. The oceans, which cover more than two thirds of Earths surface, form the largest habitat in the world. Explore animals in these and other locations in Hammonds The Animal Atlas.
