

Finding Their Stride: A Team of Young Runners and Their Season of Triumph

In *Finding Their Stride*, Sally Pont, a runner, teacher, and second-generation coach, tells of her first year coaching a co-ed cross country team to victory, both on and off the course. A surprising story of triumph, as well as an endearing tale of driven athletes, Pont shares the highlights and heartbreak of her young runners at Moravian Academy, a small, independent school near Bethlehem, Pennsylvania. Every page is infused with Ponts affection and respect for her runners, and as the season unfolds, we see the team beginning to find a new stride. While the boys struggle, the girls soar to new heights, going from last place to first. Uplifting and engaging, *Finding Their Stride* is about attaining and teaching excellence, whose metaphor happens to be a high school running team (Kirkus Reviews).
