Geraldines Pearl A Spirit of Power, Love and a Sound Mind By Marcia M. Geraldines Pearl is a woman who is now in her late forties, she was continuously reassured by her grandmother that she was a Pearl of Great Price at many times when she was feeling disheartened and did not know her true worth. Unveiling the true meaning of her grandmothers words when Marcia herself became a grandmother was the catalyst for a deepened love and respect for herself. This is the story of a woman whose formative years were spent in the midst of domestic violence and abuse, her childhood involved hearing and seeing violent acts and the continuous running backwards and forth as her mother sought a place of safety. Marcia describes her childhood as transient and nomadic almost as refugees not having settled in a home or a community for any length of time. Marcias sense of safety and security were damaged and her emotional and mental health suffered. Marcia grew with a desire to create a peaceful life for herself and her children, however fate and destiny had different plans for her, her childhood and adulthood have been a continual battle of overcoming trials, tests and immense adversity. This storybook tells of her experience of sexual abuse, emotional trauma and of mental health issues. Marcia also tells us of the hills and valleys of her family life, schooling, her career, chronic illness, homelessness, and the men in her life and of motherhood. Whilst reading and reflecting you will feel the love and empathy of the writer and you will surely feel her pain and witness her healing. Geraldines Pearl is a book that will engross you in the drama, heartbreak and crises that Marcia faced and will enable you to reflect on her journey to finding Power, Love and a Sound Mind. Throughout this book Marcias relationship with God is illustrated and her strong faith very evident. Marcia now lives fearlessly and is enjoying her life

like never before. Geraldines Pearl is a book that will allow you to find peace for yourself regardless of the experiences you have endured; this is a success story of a woman who has finally found her peace, love and joy within.
