

Say Goodbye to Crazy: How to Get Rid of His Crazy Ex and Restore Sanity to Your Life

If you have an ex-wife in your life that is ruining your current marriage and wreaking havoc with your family, read this book. It will give you the answers you need to live a life free of chaos, anger and frustration. Say Goodbye to Crazy is one of the few books that addresses how to cope with a hostile, angry ex-wife whose destructive behavior is overlooked by the courts, the society and sometimes, even your own husband. It is a life-saver. ~ Helen Smith, PhD, forensic psychologist and author of Men on Strike
