

American Handbook on Guns Ammo & Freedom

First Patriot Press is the publisher and supplier of this gun book and in spite of the website only listing one new as available you can order more than one and there is an ample supply. This book comes with a 30 day money back policy when purchased through First Patriot Press but does not extend this to other sellers. This book is the ultimate home gun and ammo supply system. The first part of the book covers how we are losing our constitutional rights and offers solutions. The book then moves into homemade: guns, gun parts, ammo, powders, black and smokeless propellant formulas scavenging, loading without loading equipment and adapts everything you can get your hands on into make a supply system in case of a national disaster, emergency, or war and this brief description did not scratch the surface of what the book has in store for you, 553 pages of all power. The main idea of the book is how to keep your gun shooting when you are out of ammo or deprived of ammo or unable to resupply. Do you think they will let you order gun parts if guns are banned. If they take your gun rights, you will either make what you need at home or do without. Knowledge is truly power, and for a lack of knowledge the people perish.
