

## Nursing Homes: Getting Good Care There (Working Caregiver)

Long-term care for aging parents is one of the most difficult, expensive and frustrating issues facing American families today. Newly revised and updated, this handbook was prepared by the leading organization advocating better conditions and care for nursing home residents. It helps readers select and work with nursing homes, offering proven procedures developed by effective advocates nationwide. Includes many strategies for protecting patient rights to aid families in insuring quality care for loved ones.
