

## On Creativity: Awakening the Creative Mind

This book tells you all that you need to know about creativity, how you can awaken your mind and allow your imagination to soar and your creativity to flourish. Creativity is the process of generating new and original ideas. Creativity is the process of generating new and original ideas. Creativity, however, is more than just using our imagination to produce lots of new ideas; it is a lifestyle, a personality trait, a way of perceiving the world, a way of living, a way of doing things and a way of growing. Brain power is the engine that drives today's economies. And one way of developing this brain power is to harness and optimize the creative potential that lies dormant within each of us. About the Author: Leo Ann Mean is an educationist who advocates the development of creativity and innovation in our lives.
