

The Nonbelievers Guide to Bible Stories

Perfect for those interested in learning more about what the Bible actually says but who have neither the time nor the interest to read the actual thing Ever thought you should know more about whats in the Bible, not because you believe in any religion, but because its the most read book in history? Before you dust off the family Bible, or reach into the hotel bed stand, The Nonbelievers Guide to Bible Stories will save you a lot of time and trouble. Coupling an editors pen with a skeptics commentary and humorists wit, it offers the highlights of each book of the Bible, from Genesis to Revelation, and distills them into quick, entertaining, bite-sized chunks. Its all here: the characters, famous quotes, tall tales, and references often heard in film, music, art, literature, and conversation. Youll also learn about all the sex, murder, harlotry, intrigue, magic tricks, ghosts, and sin that help fill sermons on Sunday mornings.
