

Help! My Baby Came Without Instructions: How to Survive (and Enjoy) Your Babys First Year

Bringing home baby can be one of the scariest days in a new parents life. A truly helpful how-to, Blythe Lipmans guide to caring for babies is the perfect resource for first-time parents who wish their new baby came with an instruction manual. Lipman has devoted her life to the gentle art of infant care and offers wise and witty practical advice in this parent-tested, expert-approved book. Filled with invaluable information new parents really need, Lipman includes plenty of true-life stories and guidance to help them through those first nerve-racking months. Help! My Baby Came Without Instructions will have nervous new moms and sleep-deprived dads feeling confident about their parenting skills. Hints on daily routines, sleep patterns, crying, the art and science of diapering, and traveling with a newborn are also provided.
