

Life Sentence: The Guys Survival Guide to Getting Engaged and Married

THE FIRST THING THEY PRONOUNCE YOU IN LIFE IS HUSBAND AND WIFE. THE NEXT THING IS DEAD. Up till now, preparing for marriage was a lot like preparing for death: You didnt know what was ahead and there was nothing you could do about it anyway! LIFE SENTENCE changes all that with honest, guy-to-guy advice and counsel. Think of it this way: Its like getting your grubby hands on the other teams playbook before the big game. Which is why its the one book they -- girlfriends, fiancees, and divorce lawyers -- dont want you to read. Youll gain valuable insights into: BEING ENGAGED: Its the romantic equivalent of being in cyberspace. The ring is like signing a lease with an option to buy. FIDELITY: If you think that fidelity is a raw deal, remember that she made the same deal. With you. Youre the last guy she gets. GOLF: Never, ever play with her.
