

Warriors and Priests of the Realms (Advanced Dungeons & Dragons: Forgotten Realms)

The Warriors and Priests of the Realms book is a FORGOTTEN REALMS game accessory that fleshes out the Warrior and Priest groups, presenting them from the unique perspective of the Realms. With this supplement, a player can create a warrior who hails from a specific place in Faerun or a priest of a particular Realms deity. Of course, the player and character enjoy both benefits and drawbacks connected to these features.
