

Religion Today: A Critical Thinking Approach to Religious Studies

Religion Today introduces students to key concepts in religious studies through a compelling problem-solving framework. Each chapter opens with a contemporary case study that helps students engage in current religious issues, explore possible solutions to difficult religious problems today, and learn key themes and concepts in religious studies. To enhance student learning, a free Student Study Guide is available for download from Rowman & Littlefield. The Study Guide features chapter summaries, definition quizzes for students to test themselves on key terms, and possible learning activities. Students can request access to the Students Study guide by contacting textbooks@rowman.com. A complimentary Instructors Manual is available for download from Rowman & Littlefield. The Instructors Manual includes guidelines on how to use the book in the classroom, summaries of each chapter, potential student activities, discussion or essay/short answer questions, and more. In addition, sample Power Point presentations for each chapter are available for download. To access these instructor materials, email textbooks@rowman.com. A multiple choice Test Bank, prepared by the author, is available in Respondus computerized Test Bank format. Respondus LE is available for free and can be used to automate the process of creating print tests. Respondus 3.5 (available for purchase or via a school site license) can prepare tests to be uploaded to online course management systems like Blackboard. Visit the Respondus Test Bank Network to request a copy of the Religion Today Test Bank. For more information about the Test Bank, e-mail textbooks@rowman.com. As an added feature the author has a blog, which is a helpful tool for this textbook, please visit <http://www.religiontodaycriticalthinking.com/>
