

A Year of Fun Just for Ones

These age-specific books provide you with important information about how young children are growing and changing, and what you can do to lay a strong foundation for later learning. Calendar-like pages, designed to be displayed, offer developmentally appropriate activity suggestions for each season. Each book includes ideas for games, recipes, songs, poems, and more, plus practical parenting advice! Just for Ones is designed to work for you all year long! The top page in each month is devoted to 12 through 18-months, while the bottom page is for use with 18 through 24-months. The activities may be completed in any sequence and repeated as often as you like. Many of the songs and make-at-home toys may be enjoyed at any age. Just turn to the appropriate month and begin! Both you and your child will find many hours of enjoyment as you use the activities in this book. Have fun!
