

Mastering Your To-Do List - Achieve the Green Beret Way

To-do lists are magic. According to experts, the second you write something down, you're infinitely more likely to actually make it happen than if you rely on your (sometimes faulty) memory. To-do lists are magic. According to experts, the second you write something down, you're infinitely more likely to actually make it happen than if you rely on your (sometimes faulty) memory. This report helps you take charge of your to-do lists and get er done.
