

The Super Affiliate Handbook: How I Made \$436,797 in One Year Selling Other Peoples Stuff Online

Affiliate marketing is the ultimate home-based Internet business. It requires no development, buying, storing or shipping of products. Forget about expensive merchant accounts or handling of customer complaints. The merchant takes care of all the hassles. You simply place a merchants link on your web site, and everytime someone buys through your unique link, you earn a commission. Internet marketing as an affiliate is simply the easiest, fastest and least expensive way to start your own home-based business on the Web.
