

## Soul Healing

Soul healing is more than overcoming illness. It is a total way of life, a form of psychic empowerment. This book will show you how to avoid the pitfalls of conventional medicine and how to select your soul healer. SOUL HEALING is an energy approach to health and natural healing processes. By following the recommendations and scripts presented in this book, we can all become soul healers. Dr. Bruce Goldberg presents many enthralling case histories to illustrate how we can attain soul healing. Past life regression, future life progression, acupuncture, meditation, shamanic healing, yoga, finding soulmates, spirit guide contacts and out-of-body travel are but a few of the methods presented. This award winning book was selected as the top New Age title by the American Book Association. You will meet: George: overcame lung cancer and a life of smoking through hypnosis. Mary: tripled her immune systems response to AIDS with the help of hypnotic age progression. Lloyd: overcame his grief over the death of his teenage daughter by contacting her spirit, viewing a future life with her and guided her soul into the LIGHT. Jennifer: uncovered her mothers undetected medical problem while in hypnosis, thereby saving her life. Dr. Goldberg presents his famous superconscious mind tap hypnosis technique, which trains the reader to access their Higher Self and raise the quality of their souls energy. The miracle of healing comes from within. After reading SOUL HEALING, you will never view your life and the universe in the same way again.
