

## Hand of Fire

The Trojan War threatens Troys allies and the Greek supply raids spread. A young healing priestess, designated as future queen, must defend her city against both divine anger and invading Greeks. She finds strength in visions of a handsome warrior god. Will that be enough when the half-immortal Achilles attacks? Hand of Fire, a tale of resilience and hope, blends history and legend in the untold story of Achilles famous captive, Briseis. Semi-Finalist for the MM Bennetts Award for Historical Fiction
