

Recovering from Autism: Our Familys Journey of Hope and Healing

Author Teri Brogan knows what its like to parent a child with autism. She understands the confusion, the despair, the sense of inadequacy. But thanks to God, naturopathy, and good old trial and error, she and her family have experienced the unexpected joy of possible healing. And now she shares not only remedies and treatments shes discovered, but more importantly, the hope you may have lost when your child was diagnosed with autism. Recovering from Autism: Our Familys Journey of Hope and Healing shares Brogans personal experiences as an inspiring case study for the therapies and methods she presents. Candid, thorough, and ever practical, this easy-to-read, down-to-earth guide discusses: Common signs and symptoms of autism Possible causes, including the autism-vaccine link Specific treatments used, including details of why each method was chosen, how it was administered, and what its results were Natural remedies, some of which may be a bit controversial or unfamiliar in the treatment of autism, including orthomolecular medicine, sodium bicarbonate, and craniosacral therapy Interview questions to help you find the right health care provider Proven educational modalities and interventions that can restore, develop, and maintain the intellectual and cognitive health of a child with autism Begin your familys recovery journey today.
