Through Rachel Norments Dream Explorations: A Journey in Self-Knowledge and Self-Realization, you can learn contemporary methods of dreamwork inspired by Carl Jung and developed by Montague Ullman, Jeremy Taylor, and many others; and discover the deep inner wisdom you have within yourself that can guide you towards spiritual growth and physical and psychological health and wholeness-toward becoming the person you are meant to become. Rachel Norments Dream Explorations is a gift to us all! The combination of her careful attention to her own dreams over decades and her keen eye for the dreams and insights of other dreamers has produced a work of great depth, wisdom, and inspiration. It is a joy to read -Jeremy Taylor, D.Min. cofounder and past president of the International Association for the Study of Dreams (IASD) and author of The Wisdom of Your Dreams In this valuable and highly readable book, longtime dreamworker Rachel Norment offers us her collection of dream treasures with instructive reflections on common symbols and dream themes. This book clearly illustrates the rewards of a lifetime of dreamwork to guide and heal our lives -Chelsea Wakefield, Ph.D. LCSW, psychotherapist and author of Negotiating the Inner Peace Treaty: Becoming the Person You Were Born to Be Serious dream workers and seekers after self-knowledge will be delighted by this book. Rachels practical insights into her personal symbols and themes are sure to bring light and guidance to anyones inner explorations. I highly recommend it -Jean Benedict Raffa, Ph.D. author of The Bridge to Wholeness, Dream Theatres of the Soul, and Healing the Sacred Divide
