

A tutorial on the Kitab-i-Iqan: A journey through the Book of Certitude

A journey through the Book of Certitude

The Kitab-i-Iqan is one of the most important Writings of Bahauallah, the Founder of the Bahai Faith. Bahauallah revealed this book within the space of two days and two nights, in the last years of His stay in Baghdad (AH 1278AD 1862). According to Shoghi Effendi, the Guardian of the Bahai Faith, The Kitab-i-Iqan sets forth in outline the Grand Redemptive Scheme of God and it occupies a position unparalleled by any work in the entire range of the Bahai literature, except The Kitab-i-Aqdas Bahauallahs Most Holy Book. This current book is a record of the journey that the author has taken through The Kitab-i-Iqan over a period of 12 years. It is not an interpretation or a critical analysis of the content of the book. Neither does it provide any personal opinion. It primarily guides reader through a systematic study of the Iqan while providing some background information on topics raised by Bahauallah in each paragraph. It is called a tutorial as it attempts to simulate, as much as possible, the tutor-tutored relationship in a self-paced personal study. All the references in the tutorial are sourced either from authoritative Bahai materials or obtained from other reliable sources. The 290 paragraphs of The Kitab-i-Iqan are apportioned for study to 58 chapters. The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein. Each chapter starts with an introduction that highlights the key ideas. Then in a coherent manner, background information on the terminologies, references and mystical concepts inherent in each paragraph is provided. The tutorial covers the 266 topics embedded in The Kitab-i-Iqan. This second edition of the book, which was originally released in 2012, contains many editing improvements, and some changes and

additions to the content.
