Ever wonder what its like to climb Mount Everest? Or to even have the energy and motivation to do it? Well, the idea isnt as farfetched as it may seem, even though very few people in the world have climbed Mount Everest. It requires dreaming big and creating a personal vision to climb the mountains in your life. In Journeys to the Edge, Randall Peeters shares his successes and failures and gives you some directly applicable guidelines on how you can create a vision for your life. With this in hand, nothing is impossible, whether it be the mountains of career, social, domestic, financial, or spiritual success.
