

NEURO-LINGUISTIC PROGRAMMING (NLP): A Self-Help Guide to Personal Achievement & Influence

John Hancock said, The greatest ability in business is to get along with others and to influence their actions. In this book you will learn powerful techniques to be more confident; make friends quickly; communicate more effectively; and most importantly, be more influential. You will learn powerful, easy-to-use techniques to achieve these results and much more. For instance, you will discover: How to give yourself a shot of confidence whenever you need it. A little known, quick technique to relax before you have to present. A simple way to get your audience to be excited, curious or motivated. The one thing you should never tell your audience that will scuttle your presentation. A sure-fire tactic to attract success and achieve your goals. An incredible easy way to get people to feel good about you. How to establish rapport with people quickly by using your body, reading their eye movements and speaking their brain language. How to develop rapport in a phone call. A proven, easy method for achieving success in business, sports or any endeavor. A simple, four-word question that will uncover what will motivate someone to take your lead. A powerful way to compliment someone to make the person feel good, increase rapport and make your point. A funny and easy technique that turns the stress from hot-button pushers into mental giggles. And a lot more. Learn about Neuro-Linguistic Programming (NLP) and how the professionals use NLP to sell to you, to influence you, to achieve their goals. Now it is your turn to use NLP for your personal achievement, influence and success. Buy this book your small investment will pay off over and over again.
