

Riding Magyk [The Horsemen of Ipotane 1] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, sex in shifted form, spanking, HEA] Jolene Etain Phillips is a witch, unaware of her power until she meets Xander Ahearn of Ipotane, a shape-shifting satyr who has crossed the barrier between his world and hers. Xander is on a mission to protect his realm from human interference. He has no time for a witch, but Fate has different ideas. Xander can't resist Jolene, and their union unleashes her magyk. He then rejects her, but his twin Sulieman will not. The twins share their females, and Sulie believes Jolene is destined to be their mate—they must marry her or be destroyed by her magyk. Xander's xenophobia drives both his brother and Jolene away, but he is nothing without her, lost without Sulieman. He and Sulie set out to find her and win her love, but another from their realm has found her first... Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
