

Water...The Blood of my Soul

A life expected to be lived in the skies somehow made itself over to a lifetime on the rivers and oceans. The happenings of Mark Cramers adventure are a one of a kind story... Heights are scary! The lure of water was far more comfortable, and its appeal led to Mark running some of the biggest whitewater in the North American continent. Theres a sense of feel, of being so in tune, so balanced and entwined within the power of watersometimes in brief and subtle mastery of and sometimes at the mercy ofbut mostly just being another bubble on its surface, sparkling along, striving to find and stay on the good path...
...a lot like life. ~ Mark Cramer ~
