

A THOUSAND PEARLS: The Ultimate How To Book

SEASONS OF THE SUN The Ultimate How To Book by Leo M. Jones III has been hailed as one of the most important books written in the past quarter century. Written in a unique and powerful literary style, aphorisms, these succinct and condensed perspectives express universal human experiences that can be understood by individuals from all cultures, religions and backgrounds. The direction offered the book is one of reverence towards the mysteries of life and living, as well as, providing guidance how to advance on the path of personal evolution. The book lays out fundamental principles with regard to: How to raise happy children (Chapter 4); How to maintain a healthy marriage while fulfilling the purpose of marriage (Chapter 3); How to maintain ones youth (Chapter 5); How to find wisdom from lifes experiences (Chapter 6); How to develop ultimate spiritual illumination (Chapter 8); How to conquer the sorrow of death (Chapter 9). These are not in any way flashy subjects popularized by the mass media. The book touches on some of the most important and personal topics that matter to all of us at our most critical times.

This book will serve as a guiding light to our intellect when we feel the need for direction. The writing is very approachable, yet the subject matter penetrates some of the deepest concerns before each and every one of us. Dont miss this book, read it at the beach, before bed, at lunch, but definitely read it. Your life will never be the same.
