

# The Badminton Magazine of Sports and Pastimes - Volume XLIII. - September to December 1915

This is a fascinating read for any sports enthusiast or historian, comprising an absorbing collection of articles, short stories, fashion advice, advertisements on a sporting theme as well as a motor supplement. Its 556 pages are extensively illustrated with full page and text photographs. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
