

Phoenix Metropolitan Area Wall Map Gloss Laminated

This new color wall map shows the entire street network of the Phoenix metropolitan area at a 64 x 48 size. Arterial streets, collector streets, block numbers, ZIP Codes, and Yellow1 street atlas pages are clearly labeled. Residential streets are shown, but unlabeled. This is the perfect map for understanding the street layout of the entire Valley of the Sun, and it shares the same grid as the Yellow1 street atlas for times when you need to know the name of a residential street. Gloss Lamination features premium optically clear film which provides a high shine for dramatic color presentation.
