

Exposure (Siren Publishing Menage and More)

[Menage and More: Erotic Interracial Paranormal Menage a Trois Romance, M/F/M, shape-shifters, sex toys, HFN] Kendra Winters is a journalist who comes across the story of a lifetime. A pack of shape-shifters is living in her city, hidden from the public eye through stealth and subterfuge. If she can expose them when all others have failed, she'll go down in history and maybe finally get her editor off her back. At least, that's the plan... Will Castle and Brad Cook can't believe their luck when Kendra walks up to them in a bar. Not only is she smart, witty, and beautiful, but she's interested in both of them. They hold a secret, though. They're both shape-shifters, able to take on the forms of wolves at will, and they belong to a pack that are willing to do anything to keep their secret hidden. Will the boys be able to show her the error of her ways, or will Kendra forsake love for the headline of a lifetime? ** A Siren Erotic Romance
