

# The Canine Commandments: Life Lessons From Dogs

Dogs seem to be happy all the time, with no worries, no cares, living every day to the fullest. How do they do this? In this moving and uplifting work, W. R. Pursche examines how dogs live and translates their way of life into lessons for us to live by. Unlike other negative rules that are often thrown at us (Dont do this! Dont do that!) these lessons are all appealingly positive. More than just a book of quotes or stories, and filled with examples from everyday life, Lessons to Live By: The Canine Commandments plainly shows how we can all benefit from the wisdom of dogs. Whether or not you have a dog or even like dogs, these memorable lessons will provide you or someone you know with a straightforward and uncomplicated approach to living a happier and more fulfilling life.
