

No Time to Teach: The Essence of Patient and Family Education for Health Care Providers

Frustrated trying to fit patient and family education into no time? Author, Fran London, RN, MS gives you the essentials and the inspiration you need to make a big impact on the quality of care and your patients quality of life. No Time to Teach helps you learn fun, creative ways to:

- Assess, educate, coach and document your teaching.
- Make the most of every teaching opportunity with patients and families
- Take a team based approach to the patient education process.
- Incorporate technology and materials into your teaching. Go from no time to teach to teaching in no time.
