

Super Freedom: Create a Worry-Free Financial Future in 6 Steps

Super Freedom is just that ? a guide for women to super. This guide has a strong, aspirational focus on what superannuation can provide for women, regardless of their marital circumstances, age or even their current superannuation balances. For women it's not so much about the actual amount of super they have, but what they can do with it, eg travel, shop, live. Throwing aside the shackles of jargon and terminology, Trish Power's guide to superannuation for women, provides with women with everything they need to know about how much super they need, getting their super set up, how to increase their super balance, how to move into retirement, insurance and estate planning.
