

Cant Stand The Heat (A Gibbons Gold Digger Novel)

Lauren Gibbons is committing the ultimate family betrayal: abandoning the tradition of seducing men for money. Nothing is worth the abuse shes endured from her sugar daddy. Now a sous chef, Lauren meets hot former NFL player Crisanto Weaver and lets herself imagine a future. Between her conniving relatives, her vengeful ex, a mountain of debt, and a whole lot of haters, can she escape her old life, and create something new?
