

Alpha Wolf (Alpha Force Book 2)

When Dr. Melanie Harding comes to rural Maryland to open a veterinarian clinic, she has no intention of buying into the areas absurd werewolf legends. Until she rescues an ordinary dog shot with a silver bullet, and meets his sexy owner, Major Drew Connell. A founding member of the Alpha Force on a nearby military base, Drew has developed an elixir that helps werewolves control their shape-shifting abilities. Drew has always tried to keep his distance from the civilian population, but Melanies sweet and gentle nature soon wears down his defenses. With the attacks on people and animals in the area mounting, can their fiery attraction withstand their toughest challenge?
