

Learning to Dance in the Rain: A Year of Weathering the Storm with an Autistic Child

I would like to invite you to join me on the journey of ups and downs, heartaches and thrills I experienced through a year of caring for a child with autism. This journal is my story as a caregiver, weathering the storm with a seven year-old girl with autism. Whether you know nothing at all about autism or feel well-versed on the topic, I believe you will find my story educational, enlightening, and heartwarming.
