

I Spy a Wicked Sin (SHADO Agency)

The author of *When Alex Was Bad* and *The Firefighters of Station Five* series provides another titillating two-pronged mission: seduce...and eliminate. Jude St. Laurent is a former assassin for SHADO, a covert homeland security agency. After a mysterious accident, he's lost all memory of his former life, and embraces his new identity as a hedonistic artist. But when he's haunted by visions of the past, he turns to his new personal assistant for help—and she knows just how to make him forget. Jude doesn't know that Lily Vale is a secret agent who uses sex to manipulate her targets—and always gets her man. But her mission takes a turn when Lily realizes that there's more to this case, and Jude, than meets the eye. If she's going to save them both, she'll have to find out who's pulling the strings...
