

Fueled by Lust: Severus (Siren Publishing Classic)

[Siren Classic: Erotic Sci-Fi Romance, paranormal elements, light bondage, HEA] Thrown together by the mating of Drusus and Avelina, Severus Faal and Cassie Wells find themselves drawn into a world of corporate espionage when Cassie catches a co-worker planting monitoring devices at her law office. Cassie's drive to uncover the reason for the infiltration immediately engages Severus's protective instincts to keep her safe. As they work together to solve this mystery, they begin a journey of self-discovery that raises old ghosts and salts unhealed wounds. Since Severus refuses to wear his mating necklace, as is the custom of the Inseid male, he relies on instinct and readily dismisses signs that Cassie has triggered his mating cycle. While Cassie has a fearless outer shell, her core is full of shadows and indecision. A troubled childhood stagnates her ability to open her heart and experience a love that could span a millennium. Book 2 in the Fueled By Lust series delivers heart-wrenching romance, intrigue, hot alpha-males, passion, and scorching, knee-wobbling sex. ** A Siren Erotic Romance
