

# The Baby Boomers Guide to Nursing Home Care

The Baby Boomers Guide to Nursing Home Care is a first-of-its-kind nursing home book with a nuts and bolts approach to explaining the many laws protecting nursing home residents and providing practical and useful advice on how residents and their families can obtain the best nursing home care possible. Topics covered in the book include Eldercare Options, Choosing a Nursing Home, Paying for Nursing Home Resident Care, The Admissions Process, Quality of Care, Residents Health Care Decision Making, How to Resolve Problems, etc. The book is written in a straightforward, easy-to-read question and answer format. It is intended for use by residents and their family members and friends, but also is a worthwhile reference for nursing home operators, attorneys, social workers, and others with a personal or professional interest in nursing home care.
