

Learn Phonics: t - Kids vs Phonics

Teaching your children phonics has never been more fun, or easier than this! This book is designed to: Give your child a deep understanding of the sound, and when it is used. Keep your kids coming back for more with the funny animation, demonstrating the sound in real life. Occupy your young ones attention for hours, with our Interactive pronunciation practice pages. Give your child a step up by helping them master the sound in everyday language and reading with the reading section. This book is the ideal download for any parent that wants to get their children on the fast track to pronunciation and reading out loud! Download Kids vs Phonics with your child Today!
