

Fixing Whats Bent (Pickleville Series Book 3)

Andrew Martinez needed a change. He was sure hed lose his mind if he didnt get out of the city. Between living with his mother and sisters, and the stress of his job, he needed a slower pace. The day he moves to small town Pickleville, he meets the prettiest man hes ever seen. Andrew doesnt do long term relationships, though. Kyler and Andrew have one night together and Andrew sneaks away in the middle of the night. The only problem is, for once in Andrews life, one night isnt enough. When a serial rapist starts hurting women, Andrews life gets even more complicated than if hed stayed in the city. So much for a slower pace.
