Its Latin Americas largest Spanish-speaking country and covers more than one million square miles of jaw-dropping beauty. Nothing can prepare you for the sheer magnitude of Argentinas colossal landscape, incredible ecotourism, grandeur of its cities, or the vibrant, sensuous people. In this vast land the possibilities for adventure seem too good to be true: the tropical Iguacu Falls of the north, the culture of bustling Buenos Aires, the ski resorts of the Andes, and the indescribable beauty of Patagonia are all worthy attractions in their own right. This combination of Latin-American passion with European cosmopolitan lifestyles makes Argentina a very attractive option for students looking to study abroad. The European influence is reflected in music, architecture, writing, social customs and lifestyle.
