

Got Social Mediology?: Using psychology to master social media for your business without spending a dime.

Ready to maximize your efforts on social media and expand your brand? Award-winning book teaches Fortune 500 companies and first-time users how to use social media to build loyalty, not just numbers! Tweet, Like, Follow, Favorite, Swipe, Tag, Toggle, Wink if social media jargon sounds like a foreign language to you, you're not alone. Whether you are a Fortune 500 Company, a small business, or an individual just starting to dabble in social media, the two basic questions are universal: What social media platforms make the most sense for my goals? How do most effectively maximize my efforts? The newly released award-winning book *Got Social Mediology? Using Psychology to Master Social Media for Your Business without Spending a Dime* by the man known as the Internet Doctor delves into the psychology of the social media user and offers an effective and free way to develop credibility, build relationships, and grow or expand your business.
