

Teaching Christs Children About Feeling Angry

Does your child have trouble expressing their anger? Do they call names when angry or hit when mad? Teaching Christs Children about Feeling Angry helps children understand and manage the difficult emotion of anger from a biblical perspective. Once again, Corine Hyman breaks down what the Bible says in a way that children can understand. Like all of Corines books, Teaching Christs Children About Feeling Angry is designed to speak directly to the child, and acts as a discussion starter for children and adults to use together.
