

Boxed Out: 7 Steps to a Spiritually Productive Life

Boxed Out presents a metaphorical yet literal process of moving beyond complacency with the status quo to a life of fulfillment and purpose that comes only from doing the work we've been called by God to do. Boxed Out motivates Christians to shift their perspective of what they see in the here and now to what is possible when we trust God and use our gifts and talents to complete the tasks He assigns to us, all as part of His master plan to accomplish His will in the world. This easy-to-read guide walks the reader through the seven steps of a Boxed Out life by: Challenging readers to look beyond their present realities and explore the possibilities Encouraging the reader to accept the work laid out for them, rather than denying, belittling or running from it Exposing the barriers that keep readers trapped and immobile and provides time-tested strategies for removing those barriers Providing the framework for a self-assessment by which readers can draw on their strengths to energize them for the task at hand Guiding readers through a practical, effective planning process which serves as the foundation for productivity Compelling the reader to go beyond mere thinking and planning to actually stepping out on faith and doing what matters most Setting the context of the readers actions as part of a greater picture with lasting and far-reaching rewards
