

The Blood Bride (Blood Secrets) (Volume 1)

Hope and Xavier must fight for their lives and those of the innocents in a battle for good and evil. But will it be enough? Hope just wants to be an ordinary nestling. She went to college and escaped, but now she's back and there's a secret everyone is keeping from her. Xavier is the new master of the nest, ready to welcome home the daughter of the house who he has never met. He's unprepared for the woman who steals his breath and enchants him. Now Hope and Xavier must fight for their lives and those of the innocents. After all, it is only by overcoming the rogues that they will have a chance of a timeless future together. But will it be in time?
