

Transcending Limits (Exploring Limits Series Book 5)

When Camelot castmates Jonathan Braedon, Devon Aldridge, and Kit Webster admit their love for each other, it doesn't magically eliminate every issue in their evolving romance. Devon, free of the demons from his past, still hesitates to resume a dominant role in their lovemaking, and Kit's discovery of a kink Jonathan would have preferred to keep hidden leads to an explosion that might tear the threesome apart.
