

So Here I Am: A Journey from Experience to Insight

Ever since my earliest memories, I have always enjoyed writing about all of which I had absorbed and created around me. Finally, I set a goal to finish writing my book, And So, Here I Am, in six months. Upon meeting my deadline, and fulfilling my lifelong ambition of becoming a successful author by sharing my thoughts and insights through my writing, I travelled to Israel, my homeland, and debuted my book, And, So Here I Am A Journey from Experience to Insight; a depiction of various events and experiences I have had throughout my life. ** This book is written in Hebrew.
