

Camping by the Waterside: The best campsites by water in Britain and Ireland

This stylish and inspiring book contains all the information campers need to make the most of the wonderful waterside locations throughout the UK and Ireland. Covering all kinds of camping (caravan, campsite and wild), the book starts by showing how to plan your trip, what gear to take and how to get stuck into all the fantastic water-based activities on offer, such as sailing, kayaking, angling, surfing and wild swimming. Tip boxes, top 10 features and gorgeous photos combine to give readers all the knowledge and inspiration they need to get out there, whether they're on their own, part of a family or with a group of friends. The main part of the guide is organised by region, but also searchable by activity. Each region has an overview, and within it the best sites to visit, with useful information (best times of year to go, activities on offer, facilities, cost), advice on most attractive pitches, contact details and photos. There is a huge variety of sites here, all with something unique to offer, and helpful maps plot each one clearly. With a Foreword by One Man and his Campervans Martin Dorey, this is the essential guidebook for all campers, showing how it really is possible to pitch up in paradise.
