

Catalogue of Syriac Manuscripts in Syrian Churches and Monasteries (Dar Mardin: Christian Arabic and Syriac Studies from the Middle East) (Syriac Edition)

This book is a collection of a number of small catalogues and hand-lists of manuscripts held in the possession of Syrian Orthodox churches, monasteries, and even individuals throughout the Middle East. The eminent scholar and bishop, Philoxenos Dolabani, carried out the enormous task of cataloguing and describing these little-known and difficult-to-access collections.
