

Darker (The Dark Side Book 2)

Book 2 in The Dark Side Serial Can Eva outrun the secrets of her past, or is surrender her only choice? Eva Byrnes first encounter with the darker side of Nathan Darkes sensuality ends in disaster. Frightened, hurt, betrayed, she struggles to regather her shattered confidence in him, and in herself. Desperate to continue her journey of exploration and self-discovery, Eva has to convince a skeptical Nathan that she's worth the trouble. And that she can learn to submit to him. When she is forced to reveal elements of her past she has preferred to keep hidden, both her brilliance and her vulnerability are laid bare. Will Nathan accept Eva as she is, and help her to become the woman she longs to be, or will she face yet another rejection? Terrified and intrigued in equal measure, Nathan has no idea how to deal with the exquisitely enigmatic Eva Byrne. Should he cut his losses and run, or allow their relationship to continue, and watch as Eva's delicate beauty unfurls in his hands? Fascinated and ensnared by Nathan, Eva longs to taste what he offers and her erotic journey continues. But how much will she have to surrender to him in order to liberate her own desires? About Ashe Barker Until 2010, Ashe was a director of a regeneration company before deciding there had to be more to life and leaving to pursue a lifetime goal of self-employment. Ashe has been an avid reader of women's fiction for many years: erotic, historical, contemporary, fantasy, romance you name it, as long as it's written by women, for women. Now, at last in control of her own time and working from her home in rural West Yorkshire, she has been able to realise her dream of writing erotic romance herself. She draws on settings and anecdotes from her previous and current experience to lend colour, detail and realism to her plots and characters, but her stories of love, challenge, resilience and compassion are

the conjurings of her own imagination. She loves to craft strong, enigmatic men and bright, sassy women to give them a hard time in every sense of the word. When she's not writing, Ashes time is divided between her role as resident taxi driver for her teenage daughter, and caring for a menagerie of dogs, cats, rabbits, tortoises and a hamster.
